| SR Junior College, Warangal 12 th TSBIE Percentage: 86 / 100 | 2021 |
| Greenwood High School, Warangal 10 th CBSE Percentage: 72 / 100 | 2019 |

PROJECTS

| | |
|---|-----------------------------|
| weather-forecast Mentor: tapalagna Team Size: 2 Key Skills: CSS Javascript HTML Github Project Link: https://github.com/AnvithGangula/weather-forecast So we had to make a website in which we need to login page ,registration page ,forecast of next 6 days , current weather at a certain location we have first made the functionalities first and then we made each of them with there own css which costed us a lot of time waste later we have connect all the pages with each other according to the work flow later when we submit madam told to make it look good and change colours according to one pattern then every other pattern so we changes watch pages colors to single color which is similar and matches later we added a map using html embedded code and did not use api this are all the challenges i have faced in the project | 16 May, 2024 - 25 May, 2024 |
|---|-----------------------------|

| | |
|--|-----------------------------|
| Portfolio File Team Size: 1 Key Skills: ReactJS Javascript HTML CSS Github Project Link: https://github.com/AnvithGangula/Anvith-s-Portfolio I have created my portfolio using HTML, CSS, React, Javascript. i have used a lot of references online and created this i delayed it using netlify i have mentioned the link below at web-links (other) mentioning it here also https://anvith-s-portfolio.netlify.app | 14 May, 2024 - 20 May, 2024 |
|--|-----------------------------|

| | |
|---|-----------------------------|
| Failed Project(scummvm) Mentor: GSOC Team Size: 1 Key Skills: Git Github Pygame Python C++ | 22 Mar, 2023 - 10 May, 2023 |
|---|-----------------------------|

Project Link: <https://github.com/AnvithGangula/scummvm>

To be Frank this is my first time attending something with a huge organization

i just wanted to give a try

So i applied for GSOC and did not got selected due to lack of skills and industrial knowledge

with failed project made we learn more and made me a good coder and a team player

this gave the taste of how a company works and how deadlines are important for surviving ...

PERSONAL INTERESTS / HOBBIES

- o playing chess
- o playing mobile games
